**REQUEST FOR LETTERS DEED COPY**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicant's undersigned attorney did not receive the notice of issue or the letters deed copy in this patent. The issue fee was paid on September 2, 2005. Issue of this patent was delayed because the Patent Office was reviewing a request to vacate the requirement for payment of a publication fee. Both the issue fee papers and the letter vacating the requirement for publication fee dated March 30, 2006 were mailed to the undersigned's prior address in Federal Way, WA.

It appears that the change of address may not have been noted in the Patent Office file. A check of my records found an unsigned copy of our notice of change of correspondence and fee address. The correct address is noted below.

I would appreciate a check of the Patent Office records to see if the deed copy was returned to the office. If it was not, I would appreciate direction as to the necessary steps to take to secure a deed copy.
